

SUPPORT THE CYO THIS HOLIDAY SEASON

The CYO has launched a fundraising campaign for the purchase of new bus! Transportation is a critical part of the services we provide for all of our programs and due to Motor Vehicle regulations, buses must be retired after 12 years. The estimated cost of a new 29 passenger bus is \$55,000 and due to the generous \$20,000 grant from the Kerney Foundation, the campaign has been jump started, but there is still more work to be done.

Please consider the CYO this Holiday Season with a donation towards the purchase of a new bus so we can continue to better serve the youth of Mercer County.
