Dear Inductees and Guests:

On behalf of the Mercer County CYO Board of Trustees and our CYO Staff, I would like to welcome everyone to the CYO Basketball Hall of Fame Awards Dinner. Congratulations to all the inductees in the 6th class of this Hall of Fame. You should be very proud of the fact (as players, coaches, referees, or special contributors), that you were selected as the "Best of the Best" of a league that just began its 62nd season (not counting our predecessor, The Trenton Parochial League).

Our CYO Basketball League has graduated nearly 40,000 boys and girls during the past several decades. As much as we respect the rich tradition of our program, the CYO is very proud of the fact that the CYO Basketball League is still regarded as the premier youth basketball program in Central New Jersey, and beyond. In fact, we have over 60 teams competing this season in our Varsity, JV Freshman, Intermediate and Pee Wee divisions for both boys and girls. The boys CYO High School League also returned a few years ago after a 25 year absence. The CYO Basketball tradition continues!

Of course the CYO is not just basketball. The CYO in 2014 provides many programs and services to thousands of youngsters each year at five full service sites - the CYO Broad Street Center in Trenton, The CYO Yardville Branch, the Hollowbrook Community Center in Ewing Township, the CYO East State Street Center (the former Martin House Learning Center), and our newest location, the Bromley Neighborhood Center in Hamilton Township. In addition, we are offering school - based programs in four of the Hamilton Public Schools. We also offer Pre - Schools, Camps, After - School Programs, Pee Wee Sports Programs, Tutoring, Swim Lessons, and so much more! As you acquaint yourself with the CYO today, I think you will be impressed with all we currently do for our youth.

However, today is all about CYO Basketball. Let's fondly reminisce about the old days. Personally, my days playing CYO Basketball for St. Mary's in the late 1960's thru the mid 1970's provided me with some of my best childhood memories. I hope all of you, especially our inductees, enjoy this special day! Lastly, please continue to support the CYO in the years ahead, so we may create more positive memories for the youth of tomorrow!

CYO Basketball – 60 YEARS!

The Mercer County CYO, one of the greatest and probably the longest running youth basketball leagues in the State, celebrated its 60th Anniversary during the 2012-2013 basketball season.

The league that started in 1952 at Junior High School #2 on South Olden Avenue in Trenton has come a long way to many different gymnasiums across Mercer County. The majority of the games are now played at the CYO Center at 920 South Broad Street in Trenton. The former movie theater hosts close to 400 games per year and has been called by many as the best school/ recreational gymnasium in Mercer County. This statement can be made since some major renovations to the gymnasium have taken place, most notably the restoration of the gym floor and the yearly touch up. It is a true first class facility that can serve more than grammar school basketball, proving this by hosting high school, college, and even professional basketball over the years. The gymnasium that hosts the majority of the games is part of the tradition and allure of CYO Basketball.

CYO Basketball is as strong as ever in Mercer County, with over 50 teams still competing in six different divisions in recent years. There are about 12 different schools/ parishes that participate in the CYO Basketball League and even the recent restructuring of the Diocesan grammar schools could not diminish the league. Many parishes now enter multiple teams to give more kids an opportunity to play. The CYO has been the main feeder system for the high schools in Mercer County and has produced countless talented basketball players that have gone on to star in upper level leagues. If the walls of the “John Mincey Manczak Memorial Gymnasium” at 920 South Broad Street could talk, they would tell quite a story. Mincey was one of the original CYO basketball referees and was still active at age 80 as a scorekeeper until his passing in October 1996.

It's hard to imagine the number of players who participated in CYO basketball over the years, and the number of games played. It is the teams, players, the countless volunteer coaches and the history that makes the Mercer County CYO rich in tradition. We will continue to see new generations of families coming to CYO Basketball games with their grandchildren talking about their days in the CYO. The tradition will continue and the CYO Basketball League will continue to be among the best in New Jersey and the country.

HISTORY OF THE MERCER COUNTY CYO

In September 1952, the Catholic Youth Organization of the Diocese of Trenton was established in all eight Counties of the Diocese, under the supervision of the late Father Leonard R. Toomey, Diocesan CYO Director.

Like its counterparts, the Mercer County CYO functioned in 26 parishes offering a four-fold program of spiritual, athletic, cultural, and social activities to boys and girls of both grammar school and high school age, as well as to young adults out of school and working. The latter group was known as CYAC's – Catholic Young Adult Club. With 3,000 youth in these three divisions participating weekly in the CYO program, the Mercer County CYO was one of the largest youth service agencies in the area.

On February 3, 1958, the Mercer County CYO opened its first official headquarters at 1 Centre Street, Trenton adjacent to Sacred Heart Church. The building was well known City-wide as the home of the former Men's Catholic Club and its gymnasium, game activity, and meeting rooms became alive again.

The CYO Day Camp began on July 7, 1958, on a 20-acre tract site of the old Springdale Park, on Allentown Rd. in Yardville, next to St Vincent DePaul Church; it featured an Olympic size swimming pool, sports, arts and crafts, and acres of woods. The Day camp was an immediate success, with a daily attendance of 300 grammar school age girls and boys in that first Summer of '58 and a daily attendance of 500 in the Summer of '59. The Day Camp still flourishes to this day.

With an ever-increasing number of young people participating, the facility at Centre Street became inadequate. On June 13, 1964, the late Bishop George W. Ahr blessed and opened the present CYO Center at 920 South Broad Street. After all these years, it is still home to thousands of youth and adults who participate in the variety of programs and activities sponsored by the Mercer County CYO.

Today it's hard to imagine that the building was originally the RKO Broad Theater. After extensive renovations, the auditorium and stage were transformed into a gymnasium featuring a regulation size basketball court and bleachers. The balcony became game and meeting rooms, and the backstage changed into exercise and locker rooms. Second floor backstage dressing rooms reappeared as the arts and crafts area.

No account of the CYO of Mercer County would be complete without acknowledging the assistance and interest of the Diocese of Trenton and the dedication and work of the late Monsignor Michael P. McCorristin. Monsignor, with a group of volunteers, undertook the renovations at 1 Centre Street and 920 South Broad Street, as well as building the swimming pool and facilities at the Day Camp.

Likewise, the CYO will always be grateful to the legions of men and women, priests and religious educators who in the past as well as in the present, s generously volunteer their time and talents serving the youth of CYO in its long history, here in Mercer County and throughout the Diocese of Trenton.

Written by Monsignor Leonard R. Toomey – August 1996

of the CYO Basketball
Program. We thank him
for his foresight,
guidance, and dedication
to our youth.

John "Mincey" Manzak

In loving memory of John "Mincey" Manczak, a long time CYO referee and coach. He was a great ball player and he really enjoyed his golf games. Mincey was very dedicated in all he did. It was a great honor to have the CYO named the "John Mincey Manczak Gymnasium" which was like his second home.

According to his beloved late wife Kay, he was a loving husband and a wonderful father. John "Mincey" Manczak is greatly missed by family and friends and especially his daughter Michelle "Mincey" Jr.

PAUL GALAYDA
REFEREE

Paul was a CYO basketball official for over 25 years, and was persuaded like many others to get into officiating by Mr. CYO, John “Mincey” Manczak. Galayda has done thousands of CYO games until his retirement in 1995. A member of IAABO Board 193, Paul was also a very successful High School official! Paul left his legacy at the CYO as an official that called the game the right way, taught players as he officiated them, and was a no nonsense, well respected referee with all of the coaches. If Paul was on the court it was a big game and the bleachers were full with spectators.

Prior to refereeing, Paul played basketball for Blessed Sacrament in the Grammar and High School leagues of the CYO. He also coached Blessed Sacrament High School boys for 10 years, guiding them to three league Championships! Galayda continued his coaching career with the Holy Angels Girls Varsity team, again leading this time his girls to championships.

Hernandez continued his basketball career at Notre Dame High School leading his freshman team in scoring, and then onto the courts at Trenton State College. Roberto was a member of the 1976 Puerto Rican National Basketball Team. Hernandez recognizes fellow Hall of Fame inductee Charlie Didun, as his toughest opponent.

Roberto graduated from Trenton State College with a BA degree. He continued his education with Rutgers School of Drug and Alcohol and is currently a certified social worker by the State of New Jersey. He is a graduate and fellow of the Leadership Trenton class 2002. Hernandez offers over 25 years of service to the community. He is Division Director of Catholic Charities, and in 1999 with their support he founded El Centro, with the emphasis to provide the community with social services, education, and support. Since then, over 6000 families have received services and helped in breaking the isolation that many Latinos have experienced due to the great Latino migration. Additionally, he was instrumental in the development and creation of Anchor House, a shelter for runaway youth.

Roberto resides in Hamilton with his wife Aida and three sons Carlos, Alex, and Roberto Jr. In March of 2014 he received the Thomas H. Keane Outstanding Community Alumni Award. Hernandez is especially thankful to the work the late CYO Founder and Sacred Heart Pastor; Monsignor Leonard Toomey did in molding his character. He is a former member of the CYO Board of Trustees.

Coach Holsman - Top Left

**JOE HOLSMAN
ST. MARY'S**

The late Joe Holsman was a legendary basketball coach and mainstay at St. Mary's. Throughout his CYO career Joe won countless championships and tournaments and taught hundreds of young men basketball skills. More important than teaching them how to play the game, he taught them values and education and always put that ahead of basketball. He was the definition of role model to all that he coached. A good coach always has a good assistant, and Joe's top assistant was always his wife, the late Phyllis. The Holsman family life revolved around basketball and behind the scenes Phyllis was as involved as Joe and made so much of it happen to allow Joe to coach his boys. Joe and Phyllis have three daughters; Judy, Terry, and Gayle (named after the Cathedral Gaels where Joe was the JV and Varsity coach at the High School!), a son Joe Jr., five grandchildren, and two great grandchildren.

Joe dedicated so much of his life to basketball. He loved the sport and loved teaching his players to be the best that they can be. He won a lot, and taught kids to be proud to win and to win graciously, but to always play hard and lose with pride too.

Holsman graduated from Trenton Catholic High School and attended Julliard School of Music. He was part of the "Chris Matthews Quartet" as a saxophone player and singer. Joe was employed by the State of New Jersey, Department of Transportation. He is the brother of CYO hall of Fame inductee, George Holsman.

KELLY HUTCHINSON
HOLY ANGELS

Kelly was a CYO star at Holy Angels in the early 1990's, was named to many All Star teams, and guided her teams to countless victories. Her legacy was left during her 8th grade season when she led Holy Angels to the CYO regular season and playoff championships with a 23-0 record, and was named regular season and playoff MVP! Kelly was also a star on a Trenton AAU team that won three consecutive NJ State Championships in 1992 - 1994.

Hutchinson went on to star at Notre Dame High School where she was a four year letter winner, a member of back to back Parochial 'A' State, and Mercer County Championship teams, and an All County selection! Kelly continued her education at Stonehill College where she earned a BA in Psychology and was Captain of the rugby team. Hutchinson has been very active in coaching; she spent 7 years as an Assistant Varsity coach at Lawrenceville Prep, and two years as the head Varsity coach at her alma mater, Notre Dame. She has spent the last few years as a volunteer basketball coach for the Lambertville Basketball Association.

Kelly resides in Lambertville and is employed by the NJ Juvenile Justice Commission in Human Resources, and is a private tutor for the Princeton Review. Kelly's family includes parents Jack and Maryann, sister, Lindsay, and brother, Matthew.

DAVID JACOBUS
REFEREE

Dave's affiliation with the CYO began in 1953 when he was a member of the St. Hedwig's basketball team, and went on to be a rare star player, coach, and top notch official. Jacobus would continue his CYO affiliation where he was most remembered as a referee which continued until the early 1990's. Dave worked countless CYO games over a 25 year period that earned him the distinction of the CYO Basketball Hall of Fame Inductee in the Referee Division. Jacobus was also a member of the IAABO Board 193 for 20 years, where he was also a top, local high school official, assigned to many big games and State Tournaments.

After his playing days were done at St. Hedwig's Dave and his assistant coach (Brother Bob) guided St. Hedwig's Boys Varsity to the 1957-58 CYO Playoff Championship. He also coached Trenton Catholic boy's freshmen baseball, Pemberton Junior High Boys basketball and baseball, Belvidere High Boys Varsity basketball, and Belvidere Middle School girls to an undefeated season in 1988-89.

Bob Kelliher

Special Contributor

When it comes to the CYO basketball program Bob Kelliher has done it all. A star player growing for St. Anthony's, he did it. A selfless, dedicated volunteer, coach, instructing young men growing up, he did that too, for many years at St. Anthony's. An official, working hundreds of games for the organization, and considered one of the best, he did that for many years. Kelliher's involvement with the CYO spanned decades, and touched on all aspects of the basketball league, which has earned him the distinction of the CYO Basketball Hall of Fame, as a Special Contributor!

In addition to working CYO games for many years, Bob was also on the Mercer County High School basketball scene as a top referee on IAABO Board 193. Kelliher's involvement with the CYO reached beyond basketball, as he was a part-time employee of the CYO as a Camp Counselor for many Summers at the CYO Day Camp in Yardville, while in high school.

Kelliher retired from the State of New Jersey, Division of Taxation after 25. Dedicated to his Country, Bob was in the US Army Reserves for over 30 years, and retired as a Lieutenant Colonel. He was also a member of the Colonial Volunteer Fire Co. for over 40 years.

Bob left us too early but won't be forgotten. He left a Special mark on the CYO with what was almost a lifetime affiliation. Bob is survived by wife Nancy, and children Robert, Michael, William, Lawrence, and grandchildren Nicole, Nate, Matthew, Daniel, Madison, Mia, and Billy.

Frank on left - #3

**FRANK KONSTANTYNOWICZ
ST. HEDWIG'S**

The late Frankie K. was a star at St. Hedwig's in the early 1970's. He was a regular on the All Star team and led St. Hedwig's to many championships. Frank continued his basketball career at Princeton Day School where he was team MVP in 1976 and was the team's co-captain. He guided PDS to three State Championships and along the way caught the eye of former NBA star, Satch Sanders, who recruited Frank to Harvard. Konstantynowicz played four years at Harvard, and was a key member of the 1980 Crimson squad which finished an all-time school best with 23 wins, 4 losses. Frank graduated from the prestigious University in 1980.

Frank returned to PDS where he was a Physical Education teacher and coach for five years. He was as much of an inspirational coach as he was a player, as he directed PDS to the 1984 State Title. From there he went to Washington and Jefferson College to coach their men's basketball team.

Konstantynowicz faced an untimely death in 1996, but is still remembered fondly for his basketball success at the CYO and in Mercer County. He is also remembered as an exceptional human being that brought a smile to everyone's face and his powerful faith in God that he embodied. The Frankie K. award is presented annually to a player from PDS and is considered the highest basketball honor at the school.

From 1985-2003 he was a fixture with the OLS girls program, sending many on to be stars on the high school level. Each year John and his assistant coaches were instrumental in planning and carrying out the start of the CYO basketball season with the Opening Day Mass.

Tandy graduated from Mercer County Community College with a degree in Business. He is retired from DEPTCOR after 26 years of service. In addition to all of his selflessness and dedication to the youth as a volunteer coach for the CYO, Tandy played an even bigger role as a longtime member of their Board of Trustees helping to establish policies and keep the organization heading in the right direction. After 62 years the CYO is in a great place with the help of John Tandy.

John resides in Hamilton with his wife Cheryl of 46 years and they have two children, Christopher and wife Marcie, daughter, Jennifer, and grandsons, Devin, Kyle, and Michael. Wandishin resides in Monmouth Junction and is Vice-President of Marketing for Brother International Corporation. He and his wife Denise have two daughters, Ashley and Jenna (both St. Paul graduates and athletes).
