FAQ'S

1. HOW WILL WE BE TRAVELING TO OUR DESTINATIONS?

We will travel to and from camp on the, brand new, CYO 29 passenger bus driven by Mr. Todd who is a licensed CDL driver.

2. CELL PHONES? WHY DO I NEED TO BRING ONE?

The teen travelers are expected to bring a cell phone with them each day. When they sign in they will write the number down on the sign in. We use our cell phones as a means of communication. The travelers can contact the leaders when apart from them via text or call and vise versa. The leaders will encourage the travelers to connect with their guardians throughout the day via text or phone call to assure them of our safety, arrival and departure times. We discourage the use of social media sites during the teen travel day.

3. SHOULD TRAVELERS BRING MONEY ON THE TRIPS?

The CYO will provide all admission fees, and lunches each day. Teen travelers are welcome to bring spending money with them each day.

4. WHAT HAPPENS WHEN IT RAINS?

If an outdoor activity is interrupted or cancelled by weather conditions an alternate activity will be planned with as much notice as possible. Guardians will be notified via email of the alternate plans.

5. HOW WILL THE TRAVELERS BE SUPERVISED?

Supervision of the teen travelers depends on the destination of the field trip. There are some locations where the group remains together as a large group. For destinations where the travelers are allowed free time to explore on their own; we will enforce a buddy system along with check-in locations and times. We are strict that the travelers meet us at the appointed times.
