GYM SPONSORSHIP BANNERS

The Mercer County CYO is seeking local businesses and organizations to advertise their company in the CYO Center gymnasium by sponsoring a gym banner. These banners will be displayed in the gym all year long and will be seen by people attending our various programs. The CYO is conducting this program to generate revenue to help pay for the cost of operating its tradition-rich athletic programs. The initial cost is \$200.00, which includes the production of the banner; since you own the banner, you may request it back at any time for trade shows or other purposes. The advertising renewal fee for the next year will be only \$100.00. By sponsoring a banner at the CYO, your organization will reach thousands of people, help beautify our facility, and allow us to continue to serve the youth of Mercer County.
