

**CATHOLIC YOUTH ORGANIZATION
OF MERCER COUNTY
MARQUEE RESTORATION PROJECT
SPONSOR FORM**

The CYO Center has been in operation at 920 South Broad Street since 1964. However, our building was actually constructed in the 1920's and served as the RKO Broad Theatre for the first half of its long life.

One of the most distinguishing exterior features of the CYO Center is the marquee which hangs over our main entrance. In addition to sheltering people entering and leaving the building, the very well lit marquee contributes to the night safety and security of the area. Additionally, the marquee serves as the main signage for advertising CYO's programs and services.

The problem is the marquee roof has been leaking for some time and there are actually multiple layers of roofing on top. Therefore, we need to totally replace the roof system. An engineer recently verified the structural integrity. We will also be restoring the sign portion of the marquee. This will be a very expensive project. Please help us restore this Trenton landmark!
